GOVERNMENT OF RAJASTHAN

.....Department

CASH BOOK

(Referred to in Rules 99, 100, 104, 117, 118, 128, 158 and 686)

1. The Cash Book contains two money columns headed (1) "Cash" and (2) "Bank or Treasury", on the payment side to distinguish between payments made by cheques from those made out of the cash in chest. When, however, a cheque is drawn to replenish the chest, its number and amount should be entered on the payment side in the "Bank or Treasury", Columns Nos. 10 and 11 and the amount only on the receipt side as "Cash from Treasury" in the single Cash column No.4. The amount of a cancelled cheque should be shown by a special write-back entry as a "minus" figure on the payment side in the "Bank or Treasury" column. A counter-reference should be given in the Cash Book, against the original to the second entry of the cheque. The issue of a new cheque, in lieu of a time-expired or lost cheque, should be entered on the date of issue in red ink in the Cash Book, but not in the column for payment, a counter reference being given, in either case, against the original entry in the Cash Book.
2. Every entry must be concise. The date, the number of voucher and the name of the work, and such a brief narration, as will indicate unmistakably the nature of the transaction, must be entered against each item. The amount debitible or creditable to each separate work, head of account or contractor or other person, should be entered separately and the amounts to be posted by the divisional office into the Abstract Book or Schedules of account, under each prescribed head of account, should be distinctly brought out opposite the entries in columns 5 and 12 headed "Classification of Receipts" and "Classification on Charges". No receipt or payment, other than of "Cash" as defined in Rule 78 of P.W.F.& A.R. should be entered in the Cash Book. A deduction, made at the time of payment, creditable to a work or head of account other than that to which the payment itself is debitible, should, however, be entered on the Receipt Side of the Cash Book.
3. Transactions must be entered in the Cash Book as soon as they occur and strictly in the order of occurrence. If, however, owing to the absence of the Disbursing Officer on tour, a cheque issued by him, whilst in camp, is entered in the Cash Book maintained at his headquarter on a subsequent date, the actual date of issue of the cheque should be noted in the Cash Book, as the denominator of a fraction, the numerator of which, will be the date on which the transaction is incorporated in the book. A similar procedure should be observed when the double transaction relating to the realisation of

miscellaneous cash receipts by a subordinate and their payments directly into Treasury is incorporated in the Cash Book of the superior Disbursing Officer on receipt of the receipted challan of the treasury from the subordinate, as prescribed in Rule 105 of the P.W.F. & A.R.

4. It is a serious irregularity to draw Cheques and deposit them in the cash chest at the close of the year for purpose of showing the full amount of Grant as utilised or to keep the Cash Book open after the 31st of March and make disbursements in April entering them in the Cash Book as having been made in March.
5. Acknowledgements of payments should, as far as possible, be taken at the time of payment and on one of the printed forms prescribed for the purpose. They should be numbered consecutively in a separate series for each month and the serial number of each voucher should be entered in the Cash Book as soon as the payment transaction is entered in it.
6. When an imprest is first given, the fact should be noted in red ink in the Cash Book of the Disbursing Officer giving it, in the column "To whom paid", but the amount should not be entered as an actual payment, as it will still form a portion of the Cash Book balance of the Disbursing Officer making the advance. If, however, a cheque is drawn, its amount must be shown on both sides of the Cash Book, vide Note 1. Any subsequent increases or decreases in the amount should be noted, similarly the increases on the payments side and the decrease on the receipt side.
7. In posting transactions from Imprest Accounts, the recouping Disbursing Officer should enter in his Cash Book, only the total for each work or head of account, as brought out in the Abstract, which should be prepared in his own office, on the reverse of the Imprest Account.
8. All payments must be debited at once to the work or service, on account of which they are made. Money advanced to a subordinate for disbursement to labourers, etc., at a distance, should be noted in the Cash Book in red ink as a temporary advance, in the manner followed when regular imprests are first made; and when the subordinate returns the duly certified acquittance rolls/muster rolls, etc., with the unpaid wages, if any, the amounts actually paid should be debited to the works or services concerned, the amount unpaid being returned into the cash balance. A similar procedure, should be observed when the Disbursing Officer removes cash from his chest and takes it with him on tour for disbursement.
9. When an advance on transfer is made to a Government servant from the cash in the hands of the Disbursing Officer pending recoupment, when the bill is encashed subsequently, the amount, thus advanced, should not be entered as a final transaction in the Cash Book but recorded as a temporary advance so that the amount may continue to form part of cash balance, for which the Disbursing Officer is responsible.
10. The procedure for dealing with time-expired, cancelled and lost cheques is prescribed in P.W.F. & A.R. Rules 99 and 100.
11. The cash balance at the end of the month should be detailed thus in a note at foot of the Cash Book.

	Rs.	P.
Cash in chest		
Imprest with.....		
Temporary advance with.....		
Total cash balance as above		

(Rupees.....)

12. If the Disbursing Officer draws on more than one District or Sub-Treasury, or the Bank, the total amount of cheques, drawn during the month on each (excluding the amount of cancelled cheques), should be recorded in another note at foot of the Cash Book.
13. Cash Books should have their pages machine-numbered. As far as possible, no lines should be left blank, but if any space on a page of the Cash Book has to be left blank owing to the whole of the other page of the same folio being written up completely, a diagonal line should be drawn to cancel the blank space, so that it may not be possible to make any subsequent entries therein. Interpolation of entries should be avoided, as far as possible, but when it becomes necessary to make any entries between two ruled lines or to make any additions to, or interpolations between, entries already made, such additions should invariably be attested by the dated initials of the Disbursing Officer.

REGISTER OF CHEQUES RECEIVED AND ADJUSTED*(Referred to in Rule 102)***Notes to be printed on the fly-leaf**

1. Cheques of private individuals, received in payments of Government dues should initially be entered in this Register in accordance with the instructions in Rule 102.
2. This Register is to be treated as a subsidiary Cash Book and for this reason, the pages of the register should be machine-numbered.
3. Only daily totals of receipts and remittances should be entered in the Cash Book.

IMPREST CASH ACCOUNT

(Referred to in Rules 117, 127, 128 and 130)

(This form should be printed in two foils and bound in book form)

Notes to be printed on the fly-leaf

1. Government servants entrusted with fixed imprests or temporary advances should maintain and render accounts of their disbursements therefrom in this form.
2. The round sum with which an Imprest Cash Account is opened should be entered at once in red ink in column 5, "Total". The date and manner of the remittance, and, if recouped by cheque, the cheque and cheque book number should also be entered, column 3 being utilised for the latter purpose. The disbursements from this imprest should be entered daily as they are made clearly and in full detail; and from time to time as the imprest-holder finds it necessary, as also a few days before the due date for the monthly closing of the Cash Book of the disbursing officer, from whom the imprest is held, the accounts should be closed and balanced, the right-hand half page being cut off and sent to the disbursing officer, and the counterfoil retained by the imprest-holder. The account should be supported by a voucher in proper form, for each payment, numbered and attached to the account so as to correspond with the order of the entries in column 2, "Voucher No.". The sums received, from time to time, in recoupment of the imprest should be entered in column 5 in red ink in the same way at the fixed amount with which the account was first opened.
3. The account should contain no entries of receipts other than the opening entry of the fixed imprest and the subsequent recoupments of expenditure nor any entries of expenditure other than those paid directly by the imprest-holder himself from the amount of his imprest.
4. Money received by imprest-holders on behalf of Government is not to be mixed up with their imprest cash, or brought into the Imprest Cash Book, but should be disposed of in the manner prescribed in Rule 101 of P.W.F. & A.R.

5. To facilitate the abstracting of charges by the recouping disbursing officer, the imprest-holder must invariably enter in column 3, along with other particulars of payment, the name of the work, etc., to which each payment is debitable and also the name of the contractor or other person, if any, from whom the amount paid is recoverable. Column 6 is intended for the head of account to which each payment relates and should be left blank by the imprest-holder. The date and manner of recoupment and, if recouped by cheque, the cheque and cheque book number should be entered by the recouping disbursing officer on every imprest account disposed of by him, also a note of increase, reduction, or withdrawal when such occur. When the account is incorporated in his own Cash Book, it should be numbered to correspond with the voucher number quoted in the Cash Book, so as to be readily traceable from it.
6. Temporary advances should also be accounted for in this form, but the account of these advances should be quite distinct from those for permanent advances.

Instructions for the guidance of Sub-Divisional and Divisional Officers

.....

Articles transferred from one Sub-Division to another may not always be received until the monthly register R.P.W.A. Form No. 8 has been closed. In such cases the Divisional Officer will accept the Issue and make the necessary entry in the receiver's return in red ink. If the receiver does not accept the transaction, the necessary adjustment will be made in the next return after communicating with the officer who showed the issue.

Instructions for the use and upkeep of Measurement Books

1. No measurements for the preparation of a bill should be accepted from an officer of lower standing than a Junior Overseer.
The special sanction of the Chief Engineer should be obtained whenever it is proposed to entrust to a member of the works establishment the use of the measurement book for recording measurements of works done or materials received and the preparation of bill for payment.
2. The index provided at the commencement of each book should be carefully kept up-to-date, and the inner title page in the measurement book showing the number of the book, name of officer, etc. must invariably be filled in, as well as the entries on the outside lable.

The Sub-Divisional Officer should record in an index the pages which contain measurements checked by him. So should the Executive Engineer and Accountant.
3. On the front page of each book should be recorded the names of the officers and subordinates who have used the same and the numbers of the pages between which their measurements are recorded that the measurement book was with Overseer A.B. When an officer is transferred, he should make over his measurement book to his successor and take a receipt from him noting the fact after the last entry in each book. The relieving officer should inscribe his name on each book below that of his predecessor, with a remark to the effect that the book was taken over on such and such a date and the pages were found on verification to be intact, a report of transfer of each book being also made to the Sub-Divisional Officer, to enable the latter to keep the register of measurement books correctly posted up-to-date.
4. When no work has been done on any item since the last measurement, the item should nevertheless, be shown in the measurement book, but only the total quantity or area of work done need be given, as well as a reference to the number and page of measurement book on which the details of the measurements appeared.
5. Entries should be recorded continuously and no line should be left blank in the measurement book. Unused lines should be crossed under the dated initials of the officer recording measurements.
6. No page must be left blank or torn out on any account whatever. Any pages left blank inadvertently should be cancelled by diagonal lines, attested and dated.
7. Final and check measurements must be made in the presence of the contractor or his legally appointed agent, who must certify as follows against the measurements concerned.

These measurements are accepted by me.

Contractor/Agent

8. When a contractor or agent is illiterate the certificate should be entered over his thumb impression before a witness. All measurements must bear the dated signature in ink of the official by whom they are taken under the words "measurements taken by me".
9. In the case of measurements for running bills it is not necessary to repeat the details of measurements of items not operated on since the former measurements were taken. The total of "Contents" of such items, should, however, be brought forward.
10. The index should be posted as measurements are recorded in the book.
11. At the end of each set of measurements there should be pay order by the Executive Engineer or the Assistant Engineer. This should be followed by a paid certificate and reference to the mode of payment whether by cheque or cash and in case of cheque the number and date thereof should be recorded against the abstract. Reference to the number and date of the cash book voucher should also be given.
12. At the time of payment, all the pages of measurements which relate to the bills or vouchers being paid should be crossed off.
13. The connection of each set of measurements with the voucher number in the cash book should be shown as soon as the payment is entered in the cash book.
14. For each large work, two separate measurement books should be in use to admit of one being sent to the Divisional Office, in support of contract certificates submitted for check or payment.
15. All measurement books must be returned to the Divisional Officer once a year for check by the Accountant or the Dealing Assistant. Such check should be not less than 10 per cent of the pages of each book, on which measurements have been recorded since the last check and should cover a complete set of measurements. Measurement books containing current measurements should be given priority and should in no case be retained in the Divisional Office for more than 10 days.
16. The check should be carried out, under the supervision of the Executive Engineer to see that :-
 - (i) no page has been torn out or is missing;
 - (ii) corrections have been properly made and initialed by the person who made them;
 - (iii) pencil entries are not inked over;
 - (iv) the contents or areas are invariably entered in ink;
 - (v) the number and date of each voucher in which the quantities have been entered for payment, and noted;
 - (vi) the entries for which payment has been made have been crossed off and no page has been left blank without recorded reason;

- (vii) each set of measurements is signed by the officer by whom they are made;
- (viii) the index is complete and the entries required on the outside label and inner title page have been given;
- (ix) the contractor's signatures have been taken in token of his acceptance of the measurements in each case;
- (x) details of measurements have been recorded as far as possible;
- (xi) there is evidence that adequate check measurement has been made by the Assistant Engineer;
- (xii) when measurements have been cancelled the reasons for the cancellation have been recorded;

17. After check, the following certificate will be recorded in the measurement book by the Accountant and the Executive Engineer at the end of the entries checked by him :-
"I have checked as prescribed in Appendix I of the PWD manual, the entries on pages.....of this book on.....(date)".
18. Any measurement book that is not completed will then be re-issued for further use. Defects and discrepancies noticed will be communicated to the Assistant Engineer in an audit note.
19. When a measurement book is completed, an order to record it, signed and dated by the Executive Engineer will be entered at the end of the book.
20. Form of Text Check by AEn/XEn/SE should be incorporated at the end of Measurement Book in the following form :-

Date of Test Check	Items and Pages of the Measurement of which checked	Value of work done	Value of work Test-Checked	Name of Officer recording measurement	Dated initials of Checking Officer

GENERAL INSTRUCTIONS

- (1) The Standard Measurement Book should be numbered in an alphabetical series so that they may be readily distinguished, from those assigned to ordinary Measurement Book.
- (2) The Standard Measurement Books of buildings are maintained in order to facilitate the preparation of estimates for periodical repairs and preparing bills for such repairs done by contract or departmentally.
- (3) When a payment is based on Standard Measurement Book, reference to which should be recorded in the Measurement Book where payment is made, the Gazetted Officer or subordinate preparing the bill for payment should certify that the whole of the real works (or works since previous running bill, as the case may be) as per standard measurements has been done and that it has not previously been billed for in any shape.
- (4) The Standard Measurement Books should be considered as very important accounts records and maintained very carefully and accurately as they may have to be produced as evidence in court of law.
- (5) The entries of measurements (and abstract thereof) in the Standard Measurement Books should be recorded legibly in ink and certified as correct by a responsible officer.
- (6) The Divisional Officer should certify once a year that all the Standard Measurement Books of the division have been inspected by him, and that entries therein have not been tampered with and that all corrections due to additions and alterations in the buildings have been made in the books and the latter are reliable and upto date.
- (7) All the measurements should be recorded neatly and directly in Standard Measurement Book at site of work. The recording of measurement elsewhere and copying them in Standard Measurement Books is forbidden. The person recording the measurement will also record a dated certificate "Measured by me" and sign his full name. Measurements should be recorded by Executive Engineer/Assistant Engineer/or by an executive subordinate which should be checked cent per cent by Assistant Engineer and 10% by the Divisional Officer.
- (8) Each set of measurements should commence with entries strating :-
 - (a) Full name of building as given in the building register,
 - (b) Situation of building, and
 - (c) Date of measurement.
- (9) On transfer, an Officer or a subordinate should make over Standard Measurement Books issued to his successor and necessary movement should be shown in the Movement Register (i.e.) the Standard Measurement Books should be shown as received from the relieved officers and issued to the relieving officer. The transfer should also be recorded after the last entry in each book and signed and dated by the relieved and relieving officer or subordinate.

INDENTURE FOR SECURED ADVANCES
(Referred to in PWF & A Rules 432 and 435)

(For use in cases in which the contract is for finished work and the contractor has entered into an agreement for the execution of a certain specified quantity of work in a given time).

This INDENTURE made this.....day of.....19..... BETWEEN.....(hereinafter called the Contractor, which expression shall, where the context so admits or implies, be deemed to include his executors, administrators and assigns) of the one part and THE GOVERNOR of the State of Rajasthan (hereinafter called the Governor which expression shall, where the context so admits or implies, be deemed to include his successors in office and assigns) of the other part.

WHEREAS by an agreement dated.....(hereinafter called the said agreement), the Contractor has agreed.

AND WHEREAS, the Contractor has applied to the Governor that he may be allowed advances on the security of materials absolutely belonging to him and brought by him to the site of the works, the subject of the said agreement, for use in the construction of such of the works as he has undertaken to execute at rates fixed for the finished work (inclusive of the cost of materials and labour and other charges) AND WHEREAS the Governor has agreed to advance to the Contractor the sum of Rs.....(Rupees.....) on the security of materials, the quantities and other particulars, of which are detailed in Accounts of Secured advances attached to the Running Account Bill for the said works, signed by the Contractor on.....and the Governor has reserved to himself the option of making any further advance or advances on the security of other materials brought by the Contractor to the site of the said works. Now THIS INDENTURE WITNESSETH that in pursuance of the said agreement and in consideration of the sum of Rupees..... on or before the execution of these presents paid to the Contractor by the Governor (the receipt whereof the Contractor doth hereby acknowledge) and of such further advances (if any), as may be made to him as aforesaid, the Contractor doth hereby covenant and agree with the Governor and declare as follows :-

- (1) That the said sum of Rupees.....advanced by the Governor to the Contractor as aforesaid and all or any further sum or sums advanced as aforesaid shall be employed by the Contractor in or towards expediting the execution of the said works and for no other purpose whatsoever.
- (2) That the materials detailed in the said Account of Secured Advance which have been offered to and accepted by the Governor as security are absolutely the Contractor's own property and free from encumbrances of any kind and the Contractor will not make any application for or receive a further advance on the security of materials which are not absolutely his own property and free from encumbrances of any kind and the Contractor indemnifies the Governor against all claims to any materials in respect of which an advance has been made to them as aforesaid.

- (3) That the materials detailed in the said Account of Secured advances and all other materials on the security of which any further advance or advances may hereafter be made as aforesaid (hereinafter called the said materials) shall be used by the Contractor solely in the execution of the said works in accordance with the directions of the Divisional Officer..... Division (hereinafter called the Divisional Officer) and in the terms of the said agreement.
- (4) That the Contractor shall make, at his own cost, all necessary and adequate arrangements for the proper watch, safe custody and protection against all risks of the said materials and that until used in construction as aforesaid the said materials shall remain at the site of the said works in the Contractor's custody and on his own responsibility and shall at all times be open to inspection by the Divisional Officer or any officer authorised by him. In the event of the said materials or any part thereof being stolen, destroyed or damaged or becoming deteriorated in a greater degree than is due to reasonable use and wear thereof the Contractor will forthwith replace the same with other materials of like quality or repair and make good the same as required by the Divisional Officer.
- (5) That the said materials shall not, on any account, be removed from the site of the said works except with the written permission of the Divisional Officer or an officer authorised by him on that behalf.
- (6) That the advances shall be repayable in full when or before the Contractor receives payment from the Governor of the price payable to him for the said works under the terms and provisions of the said agreement. Provided that if any intermediate payments are made to the Contractor on account of work done than on the occasion of each such payment, the Governor will be at liberty to make a recovery from the Contractor's bill for such payment by deducting therefrom the value of the said materials then actually used in the construction and in respect of which recovery has not been made previously, the value for this purpose being determined in respect of each description of materials at the rates at which the amounts of the advances made under these presents were calculated.
- (7) That if the Contractor shall at any time make any default in the performance or observance in any respect of any of the terms and provisions of the said agreement or of these presents, the total amount of the advance or advances that may still be owing to the Governor shall immediately, on the happening of such default, be repayable by the Contractor to the Governor together with interest thereon at twelve percent per annum from the date or respective dates of such advance or advances to the date of repayment and with all costs, charges, damages and expenses incurred by the Governor in or for the recovery thereof or the enforcement of this security or otherwise by reason of the default of the Contractor and the Contractor hereby covenants and agrees with the Governor to repay and pay the same respectively to him accordingly.
- (8) That the Contractor hereby charges all the said materials with the re-payment to the Governor of the said sum of Rupees.....and any further sum or sums advanced as aforesaid and all costs, charges, damages and expenses payable under these presents PROVIDED ALWAYS and it is hereby agreed and declared that notwithstanding anything in the said agreement and without prejudice to the powers contained therein, if and whenever the covenant for payment and repayment hereinbefore contained shall become enforceable and the money owing shall not be paid in accordance therewith the Governor may at any time thereafter, adopt all or any of following courses as he may deem best :-
 - (a) Seize and utilise the said materials or any part thereof in the completion of the said works on behalf of the Contractor in accordance with the provisions in that behalf contained in the said agreement debiting the Contractor with the actual cost of effecting such completion and the

amount due in respect of advances under these presents and crediting the Contractor with the value of work done as if he had carried it out in accordance with the said agreement and at the rates thereby provided. If the balance is against the Contractor he is to pay same to the Governor on demand.

- (b) Remove and sell by public auction the seized materials or any part thereof and out of the moneys arising from the sale retain all the sums aforesaid repayable or payable to the Governor under these presents and pay over the surplus (if any) to the Contractor.
 - (c) Deduct all or any part of the moneys owing out of the security deposit or any sum due to the Contractor under the said agreement.
- (9) That except in the event of such default on the part of the Contractor as aforesaid interest on the said advance shall not be payable.
- (10) That in the event of any conflict between the provisions of these presents and the said agreement the provisions of these presents shall prevail and in the event of any dispute or difference arising over the construction or effect of these presents the settlement of which has not been hereinbefore expressly provided for the same shall be referred to the Superintending Engineer.....Circle whose decision shall be final and the provision of the clause 23 of Appendix XI shall apply to any such reference.

In witness whereof the said.....and.....by the order and under the direction of the Governor have hereunto set their respective hands the day and year first above written.

No.....Date.....

Division.....

Returned to the Executive Engineer. The work has been taken over.

Signature of the Officer of the concerned department

Note 1: On the completion an original work on behalf of another department, a Completion Certificate should be forwarded by the Executive Engineer to the Civil or Military authority concerned who will after signing it on the space provided for the purpose, return it to the Executive Engineer who in his turn will submit a copy thereof to the Superintending Engineer for record.

Note2: The countersignatures of a civil or military officer merely implies that the work has been completed satisfactorily and taken over and involves no further responsibility. If the countersigning officer is not satisfied with the work and wishes to make any remarks, he can do so over his signatures, but he should bear in mind that the remarks are not unnecessary or irrelevant.

Divisional Accountant

Executive Engineer

Notes to be printed on the fly-lead of the Abstract Book, Form RPWA 81.

1. The standard form is only a model. The number of vertical columns may be varied according to requirements, the examples given being those suitable for an ordinary division of the Civil Works branch.
2. The book should be posted from the several Cash Books in respect of cash transactions, from the Transfer Entry Book in respect of transfer entries and from the Abstract of Stock Receipts and Abstract of Stock Issues in respect of stock transactions.
3. The amount of each cheque entered in Cash Book should be shown on the Charges side under the head to which the payment relates, and the total amount of cheques drawn should be shown as a single entry on the Receipts side in the column for "Public Works Cheques".
4. In posting the stock transactions from the Abstract of Stock Receipts and Abstract of Issues debits (and credits) to Stock, which represent credits (and debits) posted in the Abstracts from the Cash Book and the Transfer Entry Book and which are separately shown in the Abstracts vide note 2 below Rule 166 and Rule 739 should be excluded as these are posted in the Abstract Book direct from the Cash Books and the Transfer Entry Book. In the vertical columns, head "Stock", should be entered, on the receipts side, the total of the stock issues (corrected as above and on the charges side the total of the stock receipts also corrected as above).
5. As the postings from each Cash Book or other documents are completed it should be seen that the total posting on the Receipts side agree with those on the Charges side and that, further, the total of the columns headed "Cash from Treasury" agree in respect of Cash Book, and those of the columns, headed "Transfers within Division" in respect of whole division, separately for Cash and Stock unless any Cash and Stock be in transit, see PWF & A Rule 738.
6. Refunds of Revenue appears as charges in the initial accounts and will therefore be posted on the Charges side of the Abstract Book. As they are to be taken ultimately in reduction of revenue receipts, the totals for the month should be transferred to the Receipts side as minus entries in the columns for the revenue heads concerned.
7. Similarly, receipts which are to be taken in reduction of expenditure on individual works in progress or on establishment and tools and plant vide Statement E of Appendix 2, should be posted as receipts in the first instance under appropriate headings, and ultimately transferred to the Charges side as minus entries in the columns for the heads under which the charges to be reduced are classified.
8. Finally, it should be seen that the totals of the vertical columns agree with the totals of the relevant schedules, registers, etc., or of the corresponding figures therein Differences should be traced and set right.

**MODEL FORM OF BANK GUARANTEE BOND FOR EARNEST MONEY
IN EXCESS OF RS. TEN LACS**

[See PWF & A Rules 335 and 594(iii)(a)]

To
The Governor of the State of Rajasthan
Through.....

Whereas the Governor of the State of Rajasthan through.....(Designation of the Officer inviting tender), (here-in-after called "the Government") has called for tenders for execution of.....(name of work), estimated to cost Rs..... (Rupees.....only) on.....(Date) or any extended date and as per normal rules of the Government, Earnest Money is to be deposited before or alongwith the tender, and whereas, the Rules of the State Government permit deposit of Earnest Money upto Rs. 10 lacs in cash, and the balance in the form of Bank Guarantee.

1. In consideration of the Governor of State of Rajasthan having made such a stipulation in Rule 595 (iii) (a) of the Public Works Financial & Accounts Rules, and M/s.....(name of contractors) are desirous of depositing Earnest Money in excess of Rs. 10 lac i.e. Rs.....(Rupees.....only) (excess over Rs. 10 lacs) in the form of Bank Guarantee as Earnest Money in order to participate in the tender for work above mentioned as per said Rules, and will be so permitted on production of a Bank Guarantee for Rs.....(Rupees.....only), We.....(indicate name of the "Bank"), here-in-after referred to as the "Bank" at the request of M/s....., contractor(s), do hereby undertake to pay to the Government an amount not exceeding Rs.....(Rupees.....only) on demand.
2. We.....(indicate the name of Bank), do hereby undertake to pay Rs.....(Rupees..... only) the amounts due and payable under this guarantee without any demur or delay, merely on a demand from the Government. Any such demand made on the bank by the Government shall be conclusive and payable by the Bank under this guarantee. The Bank Guarantee shall be completely at the disposal of the Government and We.....(indicate the name of Bank), bound ourselves with all directions given by Government regarding this Bank Guarantee. However, our liability under this guarantee shall be restricted to an amount not exceeding Rs..... (Rupees.....only).
3. We.....(indicate the name of Bank), undertake to pay to the Government any money so demanded notwithstanding any dispute or disputes raised by the contractor(s) in any suit or proceeding pending before any Court or Tribunal or Arbitrator etc., relating thereto, our liability under these presents being absolute, unequivocal and unconditional.
4. We.....(indicate the name of Bank) further agree with the Government that the Government shall have the fullest liberty without our consent and without affecting in any manner our obligations, hereunder to extend the date of receipt of such tenders for the work as aforesaid or to vary any other terms and conditions of the Notice Inviting Tenders or the tender, extend the validity of tenders, or time for completion of the work, etc. We shall not be relieved from our liability by reason of any such variation or extension or for any forbearance, act or omission on the part of the

Government or any indulgence by the Government, to the said contractor(s) or by any such matter or thing whatsoever which would but for this provision, have the effect of so relieving us.

5. The liability of us.....(indicate the name of Bank), under this guarantee will not be discharged due to the change in the constitution of the Bank or the Contractor(s).
6. We.....(indicate the name of Bank), lastly undertake not to revoke this guarantee except with the previous consent of the Government in writing.
7. This Guarantee shall remain valid and in full effect, until it is decided to be discharged by the Government. Notwithstanding anything mentioned above, our liability against this guarantee is restricted to Rs.....(Rupees.....only).
8. It shall not be necessary for the State Government to proceed against the contractor before proceeding against the Bank and the guarantee herein contained shall be enforceable against the Bank notwithstanding any security which the State Government may have obtained or obtain from the contractor.
9. The Bank Guarantee shall be payable at the Headquarters of the Division, or the nearest District Headquarters. If the last date of expiry of the Bank Guarantee happens to be a holiday of the Bank, the Bank Guarantee shall expire on the close of the next working day.

Dated.....day of.....

PROCEDURE & APPLICATION FOR SETTLEMENT OF DISPUTES BY STANDING COMMITTEE

(See Clause 23 of Conditions of Contract Appendix XI)

1. An application seeking reference of the "dispute" for settlement by the Standing Committee shall be submitted in the proforma given in the Annexure to Form RPWA 90.
2. The application duly filled in shall be submitted by the contractor to the Chief Engineer concerned, with two copies thereof to the concerned Executive Engineer. All the three copies of the application form shall be accompanied by a Statement of Claims, in the manner indicated in the Application form.
3. The Executive Engineer on receipt of the application (in triplicate) from the contractor shall prepare Columnar Statement giving his comments against every claim. The additional columns will be reserved for comments of (1) Executive Engineer, (2) Superintending Engineer, (3) Additional Chief Engineer, (4) Highest level officer of Finance & Accounts (Financial Advisor/Chief Accounts Officer) in the Department, (5) Chief Engineer and send two copies thereof to the Superintending Engineer without waiting for a reference from the Chief Engineer/Superintending Engineer within 10 days from the date of receipt of contractor's application in his office, alongwith the following -
 - (a) An attested copy of relevant Clause for settlement of disputes (Clause 23 of Conditions of Contract - Appendix XI)
 - (b) A note regarding verification of the actual facts and data furnished by the contractor in the application from.
 - (c) Brief comments on each claim of the contractor, while giving such comments, the admissibility of the claim in the light of Clause 23 and Limitation Act will be kept in view.
 - (d) Statement of counter claims of the department, if any. However, if counter claims are not readily enlisted or available, comments on contractor's claims should not be delayed. The Standing Committee can consider counter claims of the department even if separately filed for settlement.
4. The counter statement of facts/views should in all cases be got quickly cleared from the Superintending Engineer, and Senior/Junior Counsel by the Executive Engineer through a D.O. letter and by keeping watch on such reference. The Superintending Engineer will send his comments to the Additional Chief Engineer within a week, and the Additional Chief Engineer will send his comments to the Chief Engineer within a week.

5. Before sending the case for settlement by the Standing Committee under Clause 23, Chief Engineer will get the views of the F.A./C.A.O. recorded in the columnar statement and after recording his own views, will refer the case to Administrative Secretary concerned. All such correspondence should be through confidential D.O.letters and should be sent through Special Messenger if located at the same station, or otherwise considered expedient.
6. On receipt of the Award of the Standing Committee, the Executive Engineer will record his comments on the award of the Standing Committee and send the same in duplicate to the Chief Engineer direct, with a copy to the Superintending Engineer. The financial statement and comments should be combined in the covering letter itself.
7. The Executive Engineer will await executive instructions of the Chief Engineer before acting upon the Award.
8. The Executive Engineer will send a quarterly statement in duplicate ending June, September, December and March of pending settlement cases with the Standing Committee on 7th of the month following the last month of the quarter, to the Superintending Engineer, who shall send a one statement to the concerned Chief Engineer on 15th of the month as aforesaid every year, with his remarks (if any).

**APPLICATION FOR SETTLEMENT OF DISPUTES BY STANDING COMMITTEE UNDER CLAUSE 23
OF THE CONDITIONS OF CONTRACT (Appendix XI)**
(to be submitted in triplicate)

To,

The Chief Engineer,

Sub : Reference to the Standing Committee for settlement of Disputed claims under Clause 23 of the Conditions of Contract.

Sir,

In terms of Clause 23 of the Conditions of Contract, vide Agreement No.....dated..... entered between the Governor of Rajasthan through the Executive Engineer.....Division.....Departmentfor execution of.....(name of work). ANNUAL CERTIFICATES OF BALANCES

(Referred to in PWF & A Rule 745)

For the year ended 31st March, 19....

Certificate No.1 - Stock

- (A) **Manufacture** - Certified (1) that the closing balance of Rupees.....in the accounts of the head "Manufacture" for March 19....., consisted with exceptions noted below, only of the unadjusted charges, upon operations in progress, (2) that outturn from the operations has been duly brought to account, and (3) that the closing balance does not relate to any operations, the accounts of which under the Rule 538 should have been closed and adjusted during the previous twelve month.
- (B) **Land, Kilns, etc.** - Certified (1) that the closing balance of Rupees.....in the accounts of the head "Land, Kilns, etc." for March 19....., consists of the items enumerated below, (2) that all charges recoverable from other heads of account under Rule 591 have been duly credited to this head during the year, and (3) that the balance in respect of each item represents, in my opinion, a fair residue which the operations of coming seasons may be reasonably expected to bear at the prescribed rates of recovery :-

Item No.	Particulars	Total number of years in which the capital account is to be cleared	Year in which the capital charges were first incurred	Gross Capital chargeable to end of year						Total Credits on account of recoveries to end of year						Balance outstanding at end of the year	Remarks	
				To end of previous year		During year		Total		To end of previous year		During year		Total				
1	2	3	4	5		6		7		8		9		10		11		12
				Rs.	P.	Rs.	P.	Rs.	P.	Rs.	P.	Rs.	P.	Rs.	P.	Rs.	P.	

In nearest Rupees only

- (C) **Other Sub-heads** - Certified (1) that the closing balance of Rupees..... under the head "Other Sub-heads" in the Stock Account for March 19....., represents the value of Stock materials, detailed quantity accounts whereof have been maintained in accordance with the prescribed procedure, and (2) that the exceptions noted below, none of the materials stocked are in excess of the probable requirements of the works of the division for the subsequent twelve months :-

Public Works Financial & Accounts Rules Part-III

Item No.	Particulars	Value	Remarks
1	2	3	4
1.	*Unserviceable Stock (No details required)	*Rs. P.	+.....
2.	+Serviceable Stock in excess of the requirement for next twelve months, but which in my opinion it is necessary to keep in reserve (no details required). Surplus Stock, i.e. serviceable materials which are available for sale or transfer. (No details required)		As per separate list forwarded to the Superintending Engineer for orders under cover of letter No..... dated.....
	Total		

**In nearest Rupees only*

+State the steps taken to obtain the necessary sanction to write off the loss.

Certificate No. 2 - Workshop Suspense

Certified (1) that the closing balance of Rs.....in the accounts of the head "Workshop Suspense" for March 19.....consists of the unadjusted charges for labour and materials on the undermentioned jobs in progress, which for the reasons noted against each it was not possible to adjust in the accounts for March 19....., as required by Rule 587 and (2) that action has been taken to ensure their clearance in the supplementary account.

Certificate No. 3 - Other Suspense Accounts and Deposits

M.P.S.S.A.	Credit Balance Rs.....
Stores/Services Advance	Debit Balance Rs.....
Stores Services Rendered	Credit Balance Rs.....
Miscellaneous Works Advance	Debit Balance Rs.....
Deposits	Credit Balance Rs.....

Certified (1) that the closing balances of accounts named in the margin (as specified against each) for March 19.....have been reviewed in detail, (2) that no items are included therein which under rule do not pertain to the account concerned; (3) that with the exceptions noted below, none of the items, in view of the period it has been outstanding or of any other circumstances which may diminish the chance of its recovery, calls for any special action, to effect clearance and (4) that in respect of the exceptions specified necessary action is being taken under my orders.

Certificate No. 4 - Works Accounts

- (A) **General** - Certified (1) that the account of all works, the actual construction of which is completed, have been closed as far as possible, and (2) that in cases in which the accounts of such works have still to be kept open, arrangements have been made to ensure that no further charges will be incurred without my permission as required by Rule 492.
- (B) **Materials** - Certified (1) that in respect of each work in progress in the accounts of which the suspense head "Materials" is being operated upon the balances as per the Register of Material-at-site Accounts as on 31st March, 19....., have been verified and the report of verification reviewed by me and (2) that necessary action to clear the suspense head "Materials" has been taken in the case of all works completed during the year.
- (C) **Contractors and labourers** - Certified (1) that the closing balances of the account of "Contractors" and "Labourers" as maintained in Registers of Works in respect of works the accounts of which were open on the 31st March 19....., were as detailed below, (2) that the total of the Contractors balances as shown in Certificate (1) has been reconciled by the Divisional Accountant with the total of the balances in the Contractor's ledger, (3) that the labourers balances have been similarly reconciled by the Sub-Divisional Officers concerned with the relevant records of unpaid wages (vide Rule 406), (4) that there has been no abnormal delay in closing or adjusting the accounts of Contracts which are no longer in operation, (5) that all "Secured Advances" are covered by duly executed indentures in Form RPWA 31 which I have seen are in existence in the Divisional Office, and (6) finally, that none of the other outstanding debit balances represents any overpayments, or have become or likely to be irrecoverable :-

S. No.	Full name of work	Detail of Balances				Remarks
		Contractors			Labourer's	
		Advance Payments (Debits)	Secured advances *(Debits)	Other transactions Debits/Credits		
1	2	3	4	5	6	7
		*Rs. P.	*Rs. P.	*Rs. P.	*Rs. P.	
	Total					

**In nearest Rupees only*

Certificate No. 5 - Arrears of Revenue

Certified (1) that the Register of Licence Fee of Buildings and Lands and other records of assessment and realisation of revenue (vide Rule 264) for the year ending 31st March 19....., have been reviewed in detail and that all immovable properties belonging to the division which are available for letting out and other important sources of revenue, are entered in the relevant registers with full particulars, (2) that adequate action is being taken under my orders in respect of revenue which remains unrealised for more than one month by reason of delay on the part of the tenant or other person concerned, and (3) that there are no arrears which have become, or are likely to be, irrecoverable.

Certificate No. 6 - Cash Settlement Suspense Account

Certified that the closing balance of Rupees.....in the accounts of the head "Cash Settlement Suspense Account" consist with the exceptions noted below only of outstanding transactions pertaining to the month of March, 19...., for which the Intimations of claim were duly despatched to the Divisions concerned within the prescribed period, (2) that no inward claims outstanding for more than ten days and (3) that action has been taken to ensure the clearance of the outstanding amount.

WORK ORDER

Memorandum of Agreement made the.....day of.....betweens/o.....resident of which expression where the context so admits includes his heirs, executors, administrators and assigns hereinafter called the contractor of the one part and the Governor of the Rajasthan through the Divisional Officer of the.....Department, (which expression where the context so admits includes his successors and assigns) hereinafter called the Governor, of the other part. Whereby it is agreed as follows :-

1. That in consideration of a sum to be calculated at the rate set forth in the schedule hereto annexed which said sum, the said Governor hereby agrees to pay to the said contractor within.....months after the said contractor has completed the works as set forth in the specifications and special instructions hereto attached, the said contractor hereby agrees that all the works shall be executed with great promptness, care and accuracy in a workman-like manner and shall be completed within.....months from the date of these presents.
2. That all material used must be of the best quality and articles of Government stock must be taken after giving a due receipt and used carefully.
3. The contractor will be paid first and final bill on completion of the work to the satisfaction of the Engineer-in-charge. No security deposit/performance guarantee will be obtained from the contractor.
4. If the Engineer-in-charge shall at any time during progress of the work be dissatisfied with the rate of progress or the quality of the material that have been used or of the workmanship, the said Engineer may without notice immediately determine this agreement and call in another contractor or employ departmental labour to dismantle bad work, if necessary, and to renew and complete the said works and may pay the cost of such contractor or daily labour for such dismantling, renewing or completion out of such sum as would have been payable under this agreement to the said contractor or the balance of that sum, if payments on account of work done have been made to the said contractor and if

such cost be more than such sum or the balance of such sum, then the difference between it and such sum or balance shall be a debt due from the said contractor to the Governor, which shall not exceed 10% of the cost of unexecuted work, which may be recovered from any dues pending with the department and/or enlistment deposit of the contractor.

5. If the said contractor fails to complete as aforesaid the said works by the time fixed in this agreement for completion, the said Governor may deduct from the sum found to be payable under this agreement or the balance of the sum then unpaid the sum of Rs.....for every day that shall elapse between the day fixed for completion and the actual completion.

6. (i) In every case in which by virtue of the provisions of section 12, sub-section (1) of the Workmen's Compensation Act, the Governor has to pay compensation to a workman employed by the contractor or by any sub-contractor from him in the execution of the said works, the Governor will recover from the contractor the amount of the compensation so paid, and without prejudice to this rights under section 12 sub-section (2) of the said Act, the Governor shall be at liberty to recover such amount or any part thereof by deducting it either from the security money of enlistment deposited by the contractor or from any other sum due by him to the contractor whether under this contract or otherwise.

(ii) The Governor shall not be bound to contest any claim made against him under section 12, sub-section (1) of the said Act except on the written request of the contractor and upon the contractor's giving to the Governor full security for the costs for which the latter might become liable in consequence of contesting the claim.

7. In case of any dispute arising under this agreement the Divisional Officer of the Division, shall decide the same and his decision shall be final.

--	---	--

CONDITIONS

1. The work is to be carried on with due diligence and work executed is to be done in workmen like manner. The materials used when supplied by the party tendering are to be the best of several kinds procurable, and in all cases to be subject to the approval of the Executive Engineer, Assistant Engineer for the time being, whose decision as to the rate of progress and quantity/quality of work or material shall be final.
2. The quantity of work executed shall be measured and payment made on the completion of the work or the termination of this agreement when final measurements will be made and the account adjusted accordingly; maximum period for a piece work agreement shall be 21 days from the date of award of work.
3. The Executive Engineer may put an end to this agreement at his option at any time, paying for work actually executed to date at the rates entered in agreement. In case the agreement is terminated before the work is completed, the Executive Engineer/Assistant Engineer will take over approved materials (actually at the site of the work) required for its completion provided the contractor accepts the Executive/ Assistant Engineer's valuation. The contractor has the option of removing materials (but must do so within 14 days) or they will be removed at his expense.
4. In the case of bad work or materials, the Executive Engineer/Assistant Engineer may remove the same and have it replaced deducting the value of the work rejected or materials removed or the cost of replacing the same as he may think proper from any amount due or that may become due to the party making this tender. In the

case of defective work where in the Executive/Assistant Engineer's opinion rectification is undesirable, rates may be reduced and the decision of Executive Engineer will be final and binding.

5. All approved work will be paid for on account in accordance with the rates specified and agreed. No deduction of on account of Security Deposit or Performance Guarantee shall be obtained from the Contractor, who will be paid first and final payment on completion of the work. On failure of contractor to complete the work by the date fixed or if it is not in accordance with the terms and condition of standing orders, maximum compensation limited to 10% of the cost of unexecuted work, may be recovered from any dues/enlistment deposit of the contractor.
6. The contractor must be personally present at the time of measurement. No subsequent objection will be sustained.
7. The agreement shall be executed only with the registered contractors of the Department at.....% below/above "G" Schedule or on the basis of prevalent tenders of similar works in the area, fixed by the Additional Chief Engineer for every Division in his Zone.

PROFORMA OF APPLICATION FOR ENLISTMENT OF CONTRACTORS

(See PWF & A Rule 334 and Appendix -XVI)

1. Name of applicant, his present nationality and full address.
2. Whether applicant is a Private or Public Ltd. concern or Hindu Undivided Family, Individual or a registered partnership firm (Attested copies of Deeds or Articles of Association to be enclosed).
3. Name of person holding the Power of Attorney and his present nationality with their liabilities.
4. Name of partners, their present nationality with their liabilities (Attested copy of the partnership deed and certificate of Register of Firms to be enclosed).
5. Name of Bankers and full address.
6. Place of Business.
7. Class and category in which enlistment is sought.
8. List of works executed (separate statement may be enclosed)
 - (i) Name of work.....
 - (ii) Year of execution.....
 - (iii) Amount.....
 - (iv) Authority under which carried out.....
- Note :** For work done in Departments other than this Department, Original or attested copies of certificates from officers under whom works were carried out should be enclosed. If it is not possible to obtain such certificates, the applicant should clearly indicate this.
9. Area in which the Contractor wants to work.
10. Whether the applicant has a permanent Engineering Organisation capable of dealing with large works in all their stages and has sufficient machinery and tools etc. at their disposal (Full details of organisation and machinery and tools to be given for AA, A & B Class Contractors).

Public Works Financial & Accounts Rules Part-III

11. Whether the applicant has any officer-in-charge or a Graduate Engineer or Junior Engineer as per rules.
12. Whether the applicant is licensed plumber or has licensed plumber under his employment. Attested copy of plumbers license to be enclosed. (For sanitary and water supply contractors).
13. Whether the applicant possesses a valid Electric License and has an office with sufficient technical personnel capable of preparing estimates and submitting tenders and bills for works done and supervision of works (full details to be furnished), (Attested copy of Electric License to be enclosed for Electrical contractors).
14. Whether the applicant is already enlisted -
 - (i) If so, in which class and category.
 - (ii) Whether enlisted with any other departments? If so, in which Department, class and category showing amount upto which qualified to tender.
15. Whether the applicant is share-holder or partner of any firm already enlisted in this Department.
16. Has the applicant or any his partners or share-holders been black-listed or removed from the approved list of contractors or demoted to lower class or orders passed banning/suspending business with the applicant etc. by any Department in the past.
17. Whether the contractor has read the rules for enlistment of contractors and is prepared to abide by them and fulfills all the requirements of eligibility for enlistment.
18. List of persons who are working with the applicant in any capacity and who are near relatives to any Gazetted officer posted in this Department or gazetted Officers who have not completed two years after retirement. The applicant should also intimate the name of such persons who are employed by him subsequently.

I/We certify that I/We will not get myself/ourselves registered as contractor(s) in the Department under more than one name.

Dated :

Signature of the applicant and address

Note : All relevant certificates as required in enlistment rules should be enclosed.
